

(c) *Motion to Seal or Otherwise Restrict Public Access.* A

party's request to file materials under seal must be made by formal motion, separate from the motion or other pleading sought to be sealed, pursuant to LCvR 7.1. Such motion must be filed electronically under the designation "Motion to Seal." The motion must set forth:

- (1) A non-confidential description of the material sought to be sealed;
- (2) A statement indicating why sealing is necessary and why there are no alternatives to filing under seal;
- (3) Unless permanent sealing is sought, a statement indicating how long the party seeks to have the material maintained under seal and how the matter is to be handled upon unsealing; and
- (4) Supporting statutes, case law, or other authority.

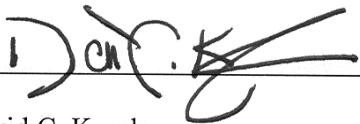

Local Rule 6.1. It appears that the requirements of Local Rule 6.1(c)(1) through (4) have been adequately met. The documents that Plaintiff seeks to file under seal include a "Master Services Agreement," an "Amended and Restated Master Services Agreement," and a "Digital Witness Video Services SOW." (Document No. 3, p. 2). Plaintiff contends that these documents "contain incredibly sensitive and confidential information pertaining to the pricing arrangements entered between ISS and Family Dollar...[and] proprietary contract terms that are a product of extensive negotiations between the parties." Id. at p. 4. Plaintiff also contends that this information "was and has at all times been contemplated by ISS and Family Dollar as confidential," and it will presumably be marked as such "once a Protective Order is entered in this matter." Id.

Having considered the factors provided in Local Rule 6.1(c), the Court will grant the motion to seal. Noting that the time for public response has not run on this motion, the Court will consider any objection to this Order from parties or non-parties as an objection to the motion, requiring no additional burden for any non-party under the Federal Rules of Civil Procedure. See Local Rule 6.1(e).

IT IS, THEREFORE, ORDERED that “Plaintiff Interface Security Systems, L.L.C.’s Motion to Seal” (Document No. 3) is **GRANTED**. Exhibits 1 and 2 to the Complaint, and Exhibit B to Exhibit 2, shall remain under **SEAL** until otherwise ordered by this Court.

SO ORDERED.
